Katie Macpherson	Alzheimers Scotland
Kathryn Martin	Tagsa Uibhist
Christine Lapsley	AHP Lead Speech and Language Therapy Manager NHS WI
Emelin Collier	Head of Planning and Development NHS WI
John Maclean	Western Isles Community Care Forum
Mary Mackenzie	SCN Community Nursing Uist NHS WI

#### Welcome and Apologies

1. Kirsty welcomed the group to meeting and Murdo Macleod was introduced and welcomed onto the group.

#### ACTION

#### Minute of Last Meeting

2. It was noted that there was a spelling error on item three. Lorraine to change the word 'is' to 'it'.

#### Older Peoples Planning Partnership Action Plan

3. A sub group of the Older Peoples Planning Partnership recently met to work on filling in the blank on the action plan. The group brought the plan to the meeting so as to confirm elements of partnership working as listed in the plan. It is felt that there is a good level of representation on the group and the plan has something for all representatives. A website for the Older Peoples Planning Partnership where the plan can be viewed was discussed. Marissa to be invited to the next meeting to discuss this. Tina to send a link out to the NHS Western Isles parenting website.

**Lorraine Macritchie**

**Tina Burgess**

The group discussed discharge within the hospital and it was stated that Catherine Macleod, who recently took up the post of Discharge planning?, is undertaking work on SPARRA and hopes to form a group to discuss this. It was agreed that Peggy

Macleod, Diabetic nurse, should be a part of this.

The action plan will be taken to next week's CHaSCP committee meeting.

The group were in agreement that it would be a good idea to meet with the British Red Cross and the Salvation Army to see if they could help to fill in some of the gaps identified in the action plan as the CHaSCP must make more use of available volunteers. A working group consisting of Terri, Murdo and Tina was set up so as to try to move this notion forward. They will discuss this with the Western Isles hospital to see if any work can be outsourced to voluntary organisations.

**Isobel  
Mackenzie**

**Housing  
Adaptations  
Consultation –  
Isobel  
Mackenzie**

4. Isobel asked for the Housing Adaptations Consultation to be added on the agenda to remind members that the consultation is available to view. People are encouraged to respond to the consultation.  
The consultation has identified key issues in housing adaptations. Isobel stated that there is currently £500,000 in the council's budget for spending on major adaptations, which will help to speed things up.  
Isobel has a version of the consultations which highlights key statements and agreed to send this to the group.

**Older Peoples  
Week October  
2012**

5. Tina informed the group of the plans for Older Peoples week in October. There will be an event held in Uist on the Monday. Chris Ryan plans to hold a themed walk with afternoon tea in the Woodlands centre on the Tuesday.  
It's hoped that the week will be well publicised

**AOCB**

6. The Small Grants scheme was discussed. It was hoped that a decision would have been reached by now on whether applicants were successful with their bids.  
  
It was discussed that Trust Housing should be involved in this group. Lorraine to invite them to the next meeting.

**Date of Next  
Meeting**

7. The next meeting will be held 22<sup>nd</sup> August 2012 at 10am.
